But if it's in this narrow area where there is nowhere to hide, maybe I could win in long-ranged fight
If it turns into a close combat, there's no way I can win no matter the attack range or skills.
Although it cannot grow fruits, but it can grow into a 3-metre long rattan if I pour water on it
I thought it could be a replacement for ropes so I brought these...
Lucten seeds of the strong rubber family
